Hello,

My name is Cody and I am a coordinator with Film L.A.

I have a production (Permit# F00126084-A) requesting to film at 5929 N. Figueroa St., on Sunday, 8/20 from 2pm-10pm. The location is an auto body shop, and will be completely contained to property - except for posted no parking signs on the East Side of N. Ave. 60.

Because of the sensitivity in the area, I have been working with my management and Arturo to ensure production does not greatly impact the community. Production has agreed to park all of their crew cars on property (on the auto body's lot), except for a few production trucks which will be in their posted no parking (not on Figueroa).

Attached to the email is a draft of the permit. Please do not hesitate to contact me should you have any questions, or concerns.

Thank you in advance for your time!

Best Regards,
Cody Penwell
